

MBG's Community Guidelines

Effective Jan. 1, 2026

- ***Charitable giving budgets will be set annually and reviewed quarterly.***
- ***We will only donate funds to 501(c)(3) organizations.***
- ***We will only donate funds to a local group or cause.*** 'Local' refers to the areas of our core business functions and agent/employee communities (primarily PA and MD). Priority is given to requests in Huntingdon County, where our headquarters are located.
- ***We will externally publish our charitable giving guidelines document*** (what you are currently reading) so that the public is aware of our guidelines and able to make requests.
- ***We will strongly prioritize MBG's Community Focus Categories*** (aligned with identified major areas of need in our community that are aligned with our corporate values of Community, Integrity, Dependability).
 - **Service organizations** (ex. Huntingdon County Library)
 - **Food insecurity** (ex. Hometown Hearts)
 - **Unhoused & insecure housing** (ex. Habitat for Humanity)
 - **Domestic abuse prevention & support** (ex. Huntingdon House)
 - **Mental health & substance abuse support** (ex. Mainstream Counseling)
 - **Community centers/youth support programs** (ex. Community Center)
 - **Local fire departments**
 - **Local military support groups**
 - **Insurance-related education & scholarships**
- ***We will share our charitable giving outcomes annually with the public.***
